Jockeys Hopkins and Loftus are having a battle royal for the saddle honors of the meeting. Each had ridden twenty-six winners up to yesterday. T. Koerner is not far behind, and as he has regained his good form, it is not improbable that he may be able to head the list, in spite of the present advantage that the two leaders enjoy. The record of the boys who have ridden one or more winners since the opening of the meeting is as follows:

JUAREZ BOOKMAKERS HAVE BAD DAY.

Well Backed Favorites and Second Choices Account for Card at Mexican Course.

El Paso, Tex., March 7.—The Juarez layers were hard hit today when favorites and second choices swept the card. The attendance was large and the weather perfect. The card was of rather ordinary calibre. In the fourth race, which served as the feature, J. L. Brown's entry ruled favorite and there seemed to be no room for doubt as to their winning unless they should be left at the post. Kootenay made made the pace, followed closely by Dr. Dougherty to the stretch, where Enfield came strongly and easily disposed of his stable companion at the finish. Jockey Burlingame, who was astride Prince Winter, the winner of the first race, was suspended for ten days by the stewards for rough riding. Rosey Posey, a well touted "good thing," failed to run up to expectations.

Jockey Hoffman received a ten-days suspension from starter Cassidy for getting overanxious at the post with Marsand in the second race.

Judge Shelley received a telegram from H. I. Wilson, manager of the Lagoon Fair and Racing Association, announcing the change of dates on the Inter-Mountain circuit. Most of the horses in training here will engage in the sport on that circuit the coming season.

W. H. Fizer has declined to name a price for his two selling platers. Eye White and Discontent, and they are two of the horses he will take back to Kentucky with Pinkola and others when the Juarez meeting ends. Eye White may not race again at Juarez, as he injured a foot in his last race.

AMERICAN HORSES SCORE IN FRANCE.

Paris, France, March 7.—American horses were successful in two races at the Auteuil meeting today. Thomas P. Thorne's Coppee won the Prix Roman Oak, a selling burdle race of \$600, and Eugene Fischof's Le Miracle won the Prix Mondeville, a steeplechase handicap of \$2,045.

HILDRETH OFF FOR EUROPE

SUCCESSFUL TRAINER LEAVES TO JOIN AMERICAN RACING COLONY IN FRANCE.

Ten of the Fourteen Kohler Horses in His Charge Will Follow Him on Trans-Atlantic Trip Tomorrow-Jockey Shilling Released.

New York, March 7.—Mr. and Mrs. S. C. Hildreth have salled for Europe and ten of the fourteen horses that Mr. Hildreth has been training for Charles Kohler at Sheepshead Bay will leave this country on the Atlantic Transport liner Minneapolis on Saturday. Their destination is the Malsons Laffitte course in France.

Mr. Kohler, in an interview concerning his change of plans, declared that he finally decided to race in Europe on account of the unfavorable outlook for racing in New York State. Since his return from England ten days ago Mr. Kohler has received word from reliable sources in Albany that the passage of the bill which aims to relieve directors of racing associations from being criminally liable for betting concerning which they have no knowledge, has only a remote chance of getting the necessary number of votes to become a law.

Jockey C. H. Shilling, it is understood, has been released from his contract by Mr. Hildreth and he will ride for a prominent stable on the Kentucky and Canadian tracks the coming summer.

The four Kohler horses that will remain in this country are Beethoven, Broadwood, a two-year-old bay colt by The Seribe, and one of the older horses, possibly Cliff Creek. David J. Leary, who has been Mr. Hildreth's right-hand man for some years, will train and race this collection in Canada and this country. Beethoven and Broadwood are colts of supposedly good caliber.

Fitz Herbert, Zeus, Novelty, Puggins and Gold Blade have been nominated to stakes in England. It is the present intention to prepare these horses at Malsons Laffitte and ship them across the channel a few days prior to the running of the events in which they are eligible. The English engagements of the Kohler horses for the coming, and for the following seasons are:

Newmarket First Spring Meeting.

Newmarket First Spring Meeting. March Stakes-Fitz Herbert and Zeus.

Newmarket Second October Meeting. Clearwell Stakes—Beethoven, b. c, by Broomstick—Sans Peur, and Broadwood, b. c, by Voter—Wild Thyme.

Newmarket Houghton Meeting. Criterion Stakes-Beethoven and Broadwood.

Ascot.

Ascot.

Coventry Stakes—Beethoven and Broadwood.

Windsor Castle Stakes—Beethoven and Broadwood.

Gold Cup—Fitz Herbert and Zeus.

All-Aged Stakes—Novelty, Puggins and Gold Blade. Engagements for 1913.
Rous Memorial Stakes—Novelty, Gold Blade and

York August Meeting, 1912.

Gimcrack Stakes-Beethoven and Broadwood.

Gimerack Stakes—Beethoven and Broadwood.

The rules of racing in the French Republic specify that only horses foaled in France are eligible to start in most races on the flat. Occasionally, however, the conditions of some events permit the entry of foreign-bred horses. For this reason the Kohler string will, in the main, be schooled and prepared for hurdle and races cross-country. Big purses are offered for such events and the contestants are horses of high class. Mr. Hildreth will also point his horses for the Ostend July races with their valuable stakes.

ARRANGEMENTS OF NEW OTTAWA COURSE.

Ottawa, Ont., March 7.—The plans of the Council and the Albert Park, Jockey Club call for the construction of a grandstand with a seating capacity of 3,000, below which there will be a spacious tea room and dining hall. The stand will be a single decker, about 300 feet long and with a special section containing boxes for members. In front of the stand there will be 100 feet of green lawn, with a tenfoot drop. The clubhouse, about fifty yards south of the stand, will be a two-story structure with a spacious veranda and balcony. It will be equipped with a special suite for the vice-regal party. The saddling paddock will be one of the most up-to-date in America, with special quarters for the jockeys. There will be stabiling for 500 horses and the Hull Electric Railway will construct a spur line direct to the rear of the stand. The street car terminals will be covered. Special attention will be given races for gentlemen riders. It was announced that the first book of conditions would be issued about May 15.

Bradley Wheeler of Niagara Falls, Ont. has been engaged to take charge of the work at Connaught Park, which will include the laying out of a polo field, and there is a possibility of the grounds being used for baseball, football and other sports.

WESTERN FAIRS CATERING TO HORSEMEN.

Salt Lake City, Utah, March 7.—There will be an interval of two weeks between the close of racing at Anaconda, Mont., September 21, and the opening of the fall meeting at Lagoon, October 7, under the revised schedule for the Inter-Mountain circuit, announced by H. I. Wilson, manager of the Montana and Lagoon meetings. This is to permit horsement of engage in the racing at the Montana and Utah State Fairs if they so desire. The managements of these fairs will this season make special efforts to interest those horsemen who generally make a practice of confining their efforts to the more important meetings. The fall meeting at Lagoon will be continued for as long a time as the weather will permit.

BALTIMORE RACING BILL ADVANCED.

Annapolis, Md., March 7.—The bill providing for the appointment of a racing commission for Baltimore county, in which the Pimlico track is located, and settling forth rules for the governing of the sport, has been reported favorably by the judiciary committee of the Legislature. Under its provisions only courses that have been operating for two years are eligible for a license, with certain exceptions for fairs and amateur sport.

AMERICAN JOCKEYS OFF FOR BELGIUM.

Lexington, Ky., March 7.—The Steele brothers, Bryan and Thomas, jockeys, and sons of Allan Steele, of this city, left today for New York to take passage Saturday upon the steamship Finland for Brussels, Belgium. They are under contract to Count Ribancourt, for whom Lucien Lyne, also of this city, is chief jockey.

Time, 25%, 5134, 1:1835, 1:4745, Track slow.

Winner—Br. h. by Previous—Hatasoo (trained by J. S. Ward).

Went to post at 4:42. At post 3 minutes. Start good and slow. Won driving; second and third the same. EFFENDI, a decided acrobat, was in close quarters during the first half, but moved up rapidly in the stretch when clear and outgamed RAGMAN at the finish. RAGMAN showed the most early speed and set the pace to midway of the stretch, but tired under punishment near the end. AGNAR closed a big gap from a slow beginning into a close up third. FLYING FEET also made up much ground. FORCE and SLEETH quit after running well to the stretch. V. POWERS quit early and races inconsistently.

Scratched—1500*Beach Sand, 107; 1531 Montagnie, 105; 1531 Aviator, 99; 1511 Joe Rose, 110; 1361*Sir Edward, 110.
